THE HAMLIN SCHOOL MISSION, CREED, & COMMUNITY STATEMENT

With a history of excellence that dates back to 1863, The Hamlin School in San Francisco is the oldest non-sectarian school for girls in the western United States, serving over 425 students throughout the Bay Area.

OUR MISSION

The Hamlin School educates girls to meet the challenges of their time and inspires them to become extraordinary thinkers and innovators, courageous leaders, and individuals of integrity.

OUR CREED

Compassion • Courage • Honesty • Respect • Responsibility

OUR COMMUNITY STATEMENT

Hamlin is a vibrant and inclusive community that expects and encourages diversity of thought, experience, and beliefs. Thus, we actively seek the *honest* perspectives of people who differ from each other in culture, ethnicity, family structure, financial resources, gender identity, learning profile, physical ability, race, religion, and sexual orientation. All members of the Hamlin community share *responsibility* for its well-being, and each person plays an active role in making space for us to be our authentic selves. We join this community with a *courageous* commitment to personal and collective growth. We show *compassion* to each other, knowing that true learning involves mistakes and imperfection. We treat each other with *respect* as we celebrate both our interdependence and our individual differences.

OUR PHILANTHROPY MISSION STATEMENT

The word philanthropy is derived from the Greek word “philos,” which means loving, and “anthropos,” which means humankind.

At Hamlin, philanthropy is a bold investment in our girls, our teachers and staff, our educational program, our physical spaces, and our community now and in the future. The collective engagement and shared communal responsibility for the school’s financial health are vital and strengthen Hamlin’s ability to deliver an extraordinary experience. We build upon the generosity of those who came before us and act as responsive and responsible stewards of the institution for future generations.

A gift that is personally meaningful and given with joy enriches the school’s mission, vision, and values and advances the Hamlin experience for all. We commit to fostering an environment rooted in trust, where all gifts are cared for, appreciated, and matter. At Hamlin, every donor is a philanthropist.

From the Head of School & the Chair of the Board of Trustees

Dear Hamlin Community,

As we reflect on the 2022-2023 academic year, we are filled with immense gratitude for the dedication and unwavering support of the entire Hamlin community. The last school year was one that marked our first full year back on our beautifully transformed campus. We continued the fastidious work on our strategic plan, *Lead with Love*, which launched in Fall 2022, and the theme for last year – *Love Lift Us, Love Lead Us*– truly served as our guiding light. I am proud of our unity and our shared vision for Hamlin's future, which emphasizes innovation and the importance of compassion, empathy, and inclusivity in everything we do.

The full return to the Hamlin campus in March 2022 brought back a number of cherished Hamlin traditions for the 2022-23 school year. We hosted our first in-person Grandparents and Special Friends Day since 2019, welcoming the largest number of grandparents and special friends in our history. The day was imbued with familial warmth and Hamlin pride for over 600 guests. The outpouring of love and support from our extended community was heartwarming, reinforcing the vital role that family plays in the education journey. In our state of the art Wanda M. Holland Greene Center for the Performing Arts, our Grade 8 students also dazzled us with their joyful performance of *Mary Poppins Jr.*, showcasing their talent, creativity, and hard work.

Our philanthropic journey began with a nostalgic nod to the past as we launched our Fall Fundraiser under the theme "Back to the Future." It was a joyous occasion filled with nostalgia as well as anticipation for the exciting year ahead. Later in the year, our Spring Fundraiser took us on a journey to New York City with "Hamlin on Broadway," which included a performance by our talented faculty and staff in a spectacular musical rendition of *Seasons of Love* from the musical *Rent*.

This Annual Report expresses our appreciation and serves as a powerful affirmation of our collective achievements. We want to extend a special thanks to our dedicated group of Hamlin trustees, volunteer leaders, administrators, faculty, and staff, whose tireless dedication and passion were instrumental in navigating and sustaining the community throughout the 2022-23 school year.

As we move forward, let us continue to lead with love, embracing the spirit of unity and collaboration that defines us as a community. Together, we will continue to inspire the next generation of leaders, ensuring that the legacy of our school remains strong for years to come.

With heartfelt appreciation,

Wanda M. Holland Greene
Head of School

Scott Gilbertson
Chair, Board of Trustees

MEET OUR 2022-23 ANNUAL FUND CHAIRS!

Since the Annual Fund is such a critical part of the school's operating expenses, volunteering for it has felt really meaningful to our family. It has been great getting to know volunteers from different grades, and it's been inspiring to hit 100% participation for the last several years. We have truly felt the wonderful Hamlin spirit when working on the Annual Fund!

-Daisy & Jeremy Downs (Sophie '24 and Willa '28)

We are honored to be involved with the Hamlin Annual Fund. It is inspiring and rewarding to see the Hamlin community come together with such high participation rates for a truly meaningful cause. It is special to see the large amount of support for our teachers, faculty, and students, which enables an amazing education for Hamlin students.

-Ming Chow & Ryan Gately (Roxby Gately '27)

Volunteering for the Annual Fund has been really meaningful to us because the funds raised have a direct impact on Hamlin programming. Working towards a common goal alongside the entire school is fulfilling!

-Sarah & Reynolds Ospina (Sophia '21 and Bella '26)

Gifts to Hamlin Year Ended - June 30, 2023

ANNUAL FUND — \$2,100,050

These Annual Fund dollars provide an essential contribution to the operating budget and help close the gap between the cost of tuition and the actual cost of a Hamlin education.

PARENTS ASSOCIATION CONTRIBUTION — \$500,000

Proceeds from Hamlin Parents Association events and activities (such as the Fall Fundraiser, Winterfest, the Spring Fundraiser, the School Store, and eScrip) are donated to the operating budget each year. This donation supports the budgets for faculty professional development opportunities and the student financial assistance program.

2022-23 ANNUAL FUND

The Annual Fund is an annual fundraising drive that provides direct support to Hamlin's operating budget. **It is essential to the everyday functions of the school and is Hamlin's top fundraising priority.** The Annual Fund sustains a broad cross-section of the program, including everything from academics, the arts, and athletics, to technology and outdoor education. It also supports our talented and dedicated faculty and provides the resources they need to bring outstanding educational opportunities to our girls.

Hamlin strives for 100 percent participation in the Annual Fund. Every gift matters and makes a difference. Foundations and corporations view participation, particularly in the Annual Fund, as an indicator of a school's strength. High Annual Fund participation levels from parents, alumni, faculty and staff can help the School raise crucial dollars from these kinds of funding organizations.

Thank you for your support and commitment to The Hamlin School!

OPPORTUNITIES FOR SUPPORTING HAMLIN

Outright gifts of cash, pledges, and securities ensure the continuation of Hamlin's commitment to excellence in education for girls and young women.

ANNUAL FUND

Gifts to the Annual Fund help make up the difference between tuition revenue and the actual costs of educating each Hamlin student. Annual Fund gifts support the operating budget and help Hamlin provide competitive faculty salaries, financial assistance, and expanded educational programs.

ENDOWMENT

Contributions to endowment programs provide long-term support to ensure Hamlin's financial stability. Funds give the School administration and trustees the flexibility and confidence to grow, improve, and respond to strategic developments.

GIFTS IN KIND

Donors may contribute items to Hamlin of a non-cash nature. Each year, members of the Hamlin community donate items of this kind, such as books and costumes.

PARENTS ASSOCIATION

Events sponsored by the Hamlin Parents Association raise funds for faculty enrichment, financial assistance, and extraordinary programs. Monies raised provide support for professional development opportunities and continuing education programs for Hamlin's teachers, tuition assistance for qualified families, and academic programs that make the Hamlin experience truly unique.

LEGACY GIVING

Contributions made through estate plans help build Hamlin's future financial security. Legacy gifts can be made in a variety of ways, including designating Hamlin as a beneficiary of a trust, insurance policy, or retirement plan, and depending on the vehicle, can be funded with cash, securities, real estate, or other property. Contributors can enjoy peace of mind knowing that beneficiaries are provided for as well as long-term financial benefits and tax savings.
